# SUMMER WORKSHOP PROGRAM 2025

## EVENT BROCHURE

PRESENTING

InnOvaTiA  
*"Hands-On with Minds-On"*

### ABOUT US

- The club, established in 2023 as an attempt to unify the common goal of several engineering students to encourage the research and development in different fields of IoT.**
- The club picked up significant pace in late 2024 where it successfully conducted its orientation , followed by the successful hosting of "Lord of the Ring" , its annual flagship event .**
- With the recent induction of new members into the club , IOTA JU is now a thriving community of 60+ active working members who are engaged in various IoT related projects .**
